

STATE OF NEW HAMPSHIRE  
STATE DEPARTMENT OF EDUCATION

Student/Keene School District  
IDPH-FY-10-06-048

**ORDER**

Upon review of the Agreed Statement of Facts and the Assented to Motion for Summary Judgment, it is ordered as follows:

1) The Assented to Motion for Summary Judgment is granted.

2) The Keene School District shall reimburse the parents for the following costs of the student's educational program at the --- School, --- Massachusetts as follows:  
the cost for the ESY program at --- for the summer of 2010 totaling \$---, day student tuition totaling \$---.00 for the 2010-20 11 school year and related services as set forth in the IEP for the 2010-2011 school year and not covered by the day student tuition rate which total \$---, tor a final total of \$---, said fees to be paid per month for each full month student is enrolled (the monthly or daily amounts will be increased proportionally in accordance with any school-wide tuition increases) (if --- School requires a different payment schedule the School District will comply with the same) for the period commencing no sooner than September 1,2010 for the 2010-2011 school year and ending when student's IEP team reaches consensus on a different placement that will provide him with a tree appropriate education at public expense, or absent such consensus, when a hearing officer or court of competent jurisdiction orders that student's placement shall no longer be at the --- Hill School, said reimbursements being conditioned on student's actual attendance at the --- Hill School on the months and days for which reimbursement is sought, and student and his parents continuing to be residents of the Keene School District and the Keene School District continuing

to be the legally liable school district in this matter; further, --- School shall in no instance be considered a stay-put placement for student. The School District will reimburse the parents for the cost of the summer of 2010 ESY program within thirty (30) days of this Order.

3) The Keene School District shall be permitted to fulfill its reimbursement obligation by making monthly payments of the foregoing amounts directly to the --- School, said payments to be credited to the account of parents for the education of student.

4) The Keene School District shall provide transportation between the student's home and the --- School as a related service for as long as student attends the --- School, subject to the same conditions set forth in Paragraph 2), The School District shall make payments directly to the transportation carrier. Estimated costs for transportation are \$--- for the summer of 2010 ESY program and \$--- for the 2010-2011 school year.
